

What is Autumn?

Autumn (Fall) is generally regarded as the end of summer and also known as the harvest season. Autumn ushers in a time of celebrating holidays, changing of the trees with beautiful color leaves, and cooler weather.

Annual Veteran Awareness Expo was on August 5th. What a great way to provide resources and education for our veterans. Many vendors were in attendance and food trucks. Who doesn't like food?

Just as the
branches of a
tree strengthen
and grow upwards
to the sky,
we too grow
stronger, striving
for greater
knowledge,
wisdom and new
experiences
as we move
through life.
