Colorectal screening is the No.1 way to prevent or detect this disease early, when it's most treatable. Early detection of colorectal cancer is key, CRC has a 90% survival rate. Colorectal cancer is the second deadliest cancer in the USA, however, it's one of the few cancers that's preventable. "Colorectal Cancer Awareness Month." Happy Nurse's Week! May 6-12TH

Happy National Nurses week! We love to celebrate all of our amazing and dedicated nurses. We thank you for all of your contributions, commitments, compassion, hard work, and dedication. Nurses play a vital role in our patients lives. All of you are superhero's!

HAPPY
St. Patrick's
DAY

Our marketers were at it again with their holiday outfits and St. Patrick's Day cheer. Visited a variety of places and Hospitals to spread some Joy and Lucky Charms!

What is St. Patrick's day celebrated for?

"Patrick's Day is the feast of St. Patrick, a patron saint of Ireland. Originally celebrated with religious feasts and services. This day became a secular celebration of Irish culture when it reached the USA alongside Irish immigrants."

Making Lives Better, Together

Home Health & Hospice of Kansas is locally owned and operated by Registered Nurses, and has been in business since 2005. We believe in making every life as meaningful as possible. We value the quality of life as much as quantity. Our mission is dedicated to providing exceptional, high quality and comprehensive services to our clients, families and the community. Our nurses, aides, therapists, social workers and chaplains are all certified, screened and highly trained to serve our patients with skill and compassion. We offer home health, palliative care and hospice services.

To request information about skilled in-home services, please call our office.
